APPEARANCE

Steelwork is galvanised only or finished in Dura-coat™ colour finish to any RAL colour. Shade cloth material is available in 14 colours, PVC fabric available in 40 colours. Post pads can be any colour; often contrasting with the structure.

SERVICES

A&S Landscape recommend early consultation to consider all aspects of the proposed installation. We provide free quotations and technical information at design stage with drawing files of all details which can be easily incorporated into architects' drawings. Full site surveys, CAD drawings and project management are all part of our standard service. Early technical involvement can often improve design, aesthetics and cost.
